4. Membership Fees and Payment Methods

Membership payments are due on the 1st of each month during the selected membership term. For payments made outside LeagueApps, families should submit payment no later than the last weekday before the 1st of each month.

Payment Options:

- **LeagueApps**: Online payments may incur processing or convenience fees in addition to the listed membership installment.
- **Zelle:** Accepted as an alternative payment method (TheAcademyFortMyers@gmail.com)

Please note, the monthly amounts above do not include optional training, separately assessed uniform costs, processing fees, or other disclosed additional expenses.

5. Uniforms and Other Potential Expenses

A separate uniform fee will be charged at a later date. The Academy will notify families of the uniform package, itemized price, due date, and ordering instructions before collecting the fee.

6. Scheduling, Communication, and Changes

The Academy will communicate the anticipated season calendar, practice days and locations, tournament dates, and known breaks. Schedules may change because of weather, facility availability, tournament organizers, or other circumstances. The Academy will communicate changes promptly using its designated family communication channel. Missed practices or canceled tournaments will be rescheduled, credited, or treated as nonrefundable, and families will be notified within 24-48 hours.

7. Enrollment, Cancellation, and Refunds Policy

- **Enrollment Commitment:** Membership begins upon registration and commits the family to the full selected membership term.
- **Early Termination:** Families who withdraw before their contract ends are responsible for an early termination fee equal to 30% of the remaining contract balance.
